1

Clean and disinfect your home thoroughly. Finish up any DIY jobs and work on your home's curb appeal.

2

Reschedule any in-person open houses, ask your Realtor® to create a video tour and schedule an online open house.

3

Use teleconferencing and e-signing programs to negotiate contracts.

4

Be flexible. Know that your closing dates could shift, so be sure to account for potential delays.

5

Don't panic. People have more time now to house-hunt, and everyone needs a place to call home. When the stay-at-home order is lifted, you'll be ready.
